Information for Club Members

3 WAYS TO DONATE

1. Donation per Kick

- Team members (this means you!) will perform 1000 kicks each.
- A donation of \$0.01 (a penny) per kick yields a contribution of \$10.
- Tip: Ask the sponsor to support YOU for every kick you throw. "Just 1 penny a kick!"
- Fill out the "Pledge/Kick" section of the form and show the total. The amount donated is: 1000*(pledge/kick) dollars.

2. Board Breaks

- Sponsors can purchase a board to have broken at the cost of \$10/board.
- Sponsors can choose someone to break the board (within reason). Again, if you know the person, ask him/her to have YOU break it.
- If your sponsor wishes to suggest a technique, make sure that it is within reason. Don't sell anything you can't deliver.
- Fill out the "# of Boards" section of the form and show the total. The amount donated is: 10 * (# of Boards) dollars.

3. Flat Donation

Sponsors give the club money, plain and simple.

MONEY ACCEPTED

- <u>Cash is preferred.</u> We suggest having a big manila envelope to keep it in. Keep the money safe!!! You earned it.
- Tip: It's much easier to collect the money at the time of the donation so you don't have to chase your sponsors down later.
- <u>Techcash:</u> It is accepted, but please ask the donor to ensure that his/her balance is sufficient to prevent bounces.
